

GovPartner Connect

e-Government Solutions

LEARN
MORE
HERE

GovPartner Connect provides a centralized view of business processes via the web and acts as a tool to manage connections between business processes, agency departments, staff members, and most importantly - manages connections with your constituents.

Connect Online.

GovPartner Connect offers online e-Government solutions for:

- Building
- Planning
- Engineering
- Licensing
- Code Enforcement
- Work Order
- Parks and Recreation
- Citizen Request Management (CRM)
- GIS Viewer
- Online Public Portal

Connect On-The-Go.

Increasing citizen involvement and agency responsiveness, GovPartner's Mobile Connect smartphone app provides citizens an easy-to-use interface for submitting service requests on their schedule, and on their terms, from the palm of their hands.

Comprised of a comprehensive set of modules, GovPartner Connect is a **scalable, robust, and reliable solution** specifically tailored to fit your needs.

Empowering your process through e-Government
