WHAT MAKES AUSTIN "WEIRD"?

REMEMBERS WOULD ADD TO THE VIBE THAT IS DISTINCTLY AUSTIN. AUSTIN ATTRACTS MORE YOUNGERS THAN ANY OTHER CITY IN TEXAS, AND THESE REINVENTORS WOULD GIVE AUSTIN A MODERN, REFINISHED, AND APPELLING VIBE.

The screenshot shows the top navigation bar of the Alliance for Innovation website. The navigation bar is dark blue with white text. On the left is the logo for the Alliance for Innovation, which includes the text "ALLIANCE FOR INNOVATION" and "TRANSFORMING LOCAL GOVERNMENT". To the right of the logo are several menu items: "About", "Learning", "Research", "Knowledge Network", "Resources", and "OnDemand". The "Resources" menu is open, showing a list of items: "GovNews", "Newsletter", "Ambassador News", "Ideas Quarterly", "Learning Resources", "Case Studies & Awards", "Calendar", and "Solutions Journal". A yellow circle highlights the "Resources" dropdown menu. Below the navigation bar is a large banner with the word "Innovation" written in a light blue, handwritten-style font. To the left of the banner is a text box that reads "Drive Innovation Throughout Your Organization!" followed by "The Alliance for Innovation is inspiring innovation to advance communities." and "Join us on our mission...". At the bottom of the banner are five small white circles, with the first one filled.
