*Leaders at the Core of Better Communities*

## Welcoming Remarks

- ICMA is the premier local government leadership and management organization.
- Its mission is to create excellence in local governance by advocating and developing the professional management of local government worldwide.
- For more information, visit [www.icma.org](http://www.icma.org).

*Leaders at the Core of Better Communities*

## Welcoming Remarks

- Water quality is both an environmental management concern and a planning and development issue.
- Managers must seek to protect water quality without inhibiting development and economic growth.

*Leaders at the Core of Better Communities*
