Welcome

City of Rowlett Local Stimulus Package

Shop | Work | Play

During these tough economic times, the City of Rowlett recognizes the difficulties your business may be going through and we want to offer assistance through a local stimulus package. This program includes three major areas of assistance to local businesses.

First, the City has launched a "Shop Rowlett" campaign. We are partnering with local businesses to offer discount coupons to customers who choose to shop in Rowlett. We will post your discount coupon on our web site at no charge for shoppers to print and bring with them to your location.

Second, we will post a link to your company's employment opportunities on our web site to help you fill vacant positions, and to help our citizens find employment.

Third, we encourage your company to register as a vendor with the City of Rowlett. Each year, the City spends millions of dollars with vendors for goods and services and we want to keep our business in Rowlett as often as possible.
