

ICMA

ICMA Student Chapters

Want to learn more about local government management? Join an international network of aspiring and seasoned local government professionals? Use what you learn in the classroom to make a difference in your community? The ICMA Student Chapter at your college or university is the student organization for you.

BENEFITS

- Full ICMA membership
- Opportunity to establish connections with professionals nationwide
- Free chapter-exclusive content
- Mentorship from a local government professional in your area
- Free registration to the ICMA Annual Conference
- ICMA-sponsored competitions
- ICMA's Job Center and other career resources
- Career development opportunities (webinars, one-to-one coaching)

WHAT STUDENT CHAPTERS DO

- Attend state association meetings, ICMA Regional Summits, and/or ICMA Annual Conference
- Host guest speakers/panel discussions
- Complete small consulting projects for nearby local governments
- Present to undergraduates and/or high schools about local government, civics, or other related topics
- Volunteer with local organizations
- Tour local government facilities
- Shadow city administrators
- Organize networking and social events
- Present at local council meetings

WHO CAN JOIN

ICMA Students Chapters welcome all students, including MPA program students, graduate students in other programs, and undergraduates.

HOW TO JOIN

See your school's chapter president or faculty advisor today for information on how to get involved.
