PR-504 Drug and Alcohol-Free Workplace

Yuma County is committed to providing a safe, healthy, and accident-free work place. One of the conditions necessary to achieve such an environment is that it be drug and alcohol free. This policy is developed in compliance with the federal Drug Free Workplace Act of 1988, as amended. This policy is not intended to replace or supersede Yuma County Personnel Policy, PR-501 - Standards of Conduct.

CHAPTER V (CONDITIONS OF EMPLOYMENT)

PURPOSE: To establish rules governing the maintenance of a drug-free workplace.

STATEMENT OF POLICY: The Board of Supervisors of Yuma County is committed to programs that promote safety in the workplace, employee health and well-being, and public confidence. Consistent with the spirit and intent of this commitment, Yuma County has a zero tolerance policy when it comes to the use, possession, or distribution of drugs and alcohol by employees.

A. FREEDOM FROM DRUGS AND ALCOHOL AS CONDITION OF EMPLOYMENT

1. Pre-Employment. Applicants for designated positions for employment with Yuma County will be given blood, urine, or other diagnostic tests to detect alcohol and/or controlled substances (or metabolites) in their systems. Positive test results for drugs or alcohol will eliminate any employment candidate from further consideration.
2. Reemployment/Reentry in Workforce. Any individuals who leave employment through layoff, administrative suspension, resignation, or termination for a period of 30 days or more will be tested to detect alcohol and/or drugs (or drug metabolites) in their systems prior to reentry into the workplace. Positive test results for alcohol, or controlled substances will prohibit the individual from reemployment by the County, or will result in immediate dismissal if currently employed.

B. RULES REGARDING DRUGS AND ALCOHOL

Use, Possession, Manufacture, Distribution. The use, manufacture, possession, or distribution of any controlled substance or alcohol by any employee on Yuma County property or while on County business will be grounds for immediate dismissal.

C. LABORATORY TESTING REQUIREMENTS

All drug/alcohol testing of employees and applicants shall be according to the guidelines and procedures as adopted by Yuma County pursuant to 49 CFR Part 40 and adopted in compliance with the Omnibus Transportation Employee Testing Act of 1991, and are deemed incorporated herein by reference. Copies of specific provisions of the policy relating to procedures and guidelines may be obtained from the Human Resources Department.

CHAPTER V (CONDITIONS OF EMPLOYMENT)

D. DEFINITIONS

1. “Controlled substance” – a drug, substance or immediate precursor identified, defined or listed in Arizona Revised Statutes, title 36, chapter 27, article 2; including, but not limited to cannabis, heroin, cocaine, morphine, phencyclidine, (PCP), amphetamines, barbiturates, hallucinogens.
2. “Under the influence” – manifesting signs of chemical misuse such as staggering, reddened eyes, odor of chemicals, nervousness, restlessness, falling asleep/dozing at work, memory loss, abusive language or any other behavior not normal for the particular employee.

E. THE FOLLOWING ACTIVITIES ARE PROHIBITED:

1. Reporting to work under the influence of a “prohibited drug”, as defined below, or alcohol.
2. The use, consumption, sale, purchase, transfer or possession of any prohibited drug by any employee during work hours, on work assignment, in or on County property, including County vehicles or personal vehicles used for County business, at any time.
3. The consumption of alcohol by any employee during working hours, on work assignments, or on County property, including County vehicles or personal vehicles used for County business, at any time.
4. Further, it is a condition of County employment that its employees agree to abide by the terms of the policy and to notify the County Human Resources Director of any drug statute conviction no later than **five (5)** days after such a conviction. Every possible effort will be made to hold such information in confidence with the County, but such information will have to be reported within **ten (10)** days of receiving actual notice from the employee to a State or Federal agency if grant or contract funding is involved.
5. Violators of this policy are subject to disciplinary action, up to and including termination from employment. Sanctions may include, but are not limited to, a requirement that the employee participate in and successfully complete a drug abuse or alcohol abuse assistance or rehabilitation program and/or a requirement that the employee undergo random drug testing following return to employment. Disciplinary decisions shall be made by the agency head, with the concurrence of the County Administrator and the Human Resources Director. Under federal law, the County must take disciplinary

action against the employee within **thirty (30)** days of receiving notice of a conviction.

6. In support of this policy, the County will, through its Human Resources Department, conduct a drug and alcohol awareness program to inform employees about the dangers of drug and alcohol use in the workplace, the penalties for noncompliance with this policy, and drug and alcohol counseling through the County's EAP and other counseling and rehabilitation services in the community.
7. For purposes of this policy, "prohibited drug" means marijuana, cocaine, cocaine derivatives, opiates (narcotics), hallucinogens (LSD, mescaline, etc.), phencyclidine (PCP), amphetamines, and any other "controlled substance" as defined in the Controlled Substances Act, 21 U.S.C. 812, Schedule I-V, Sec. 202, except when the use is pursuant to the instructions of a physician.

F. RANDOM TESTING:

Random, suspicionless testing is, and will continue to be, performed by the following departments pursuant to the respective internal departmental policies and/or statutory requirements: Public Works pursuant to the Federal Highway Administration regulations, 49 C.F.R. Part 382, et seq. and Sheriff's department pursuant to Policy No. 208.1 – 208.5.

G. CONFIDENTIAL INFORMATION:

To the extent permitted by state and federal law, all records created or obtained regarding the results of tests conducted under this policy shall remain confidential, and shall be released only upon the written authorization of the employee or potential employee tested. Information regarding test results may be reviewed by medical review officers, legal counsel, and management where such review is deemed necessary for the purpose of ensuring the health, welfare, or safety of the public, the employee, or workers. This provision is intended to comply with the requirements regarding confidentiality of medical information under the Americans with Disabilities Act of 1990.

H. EMPLOYEE ASSISTANCE PROGRAM (EAP):

An employee assistance program will be available to help employees solve drug related problems by providing educational information concerning the effects and consequences of drug use on personal health, safety, and the work environment. For those employees or applicants found to be positive on drug or alcohol tests, the

CHAPTER V (CONDITIONS OF EMPLOYMENT)

County will make available a list of certified substance abuse professionals within a reasonably close by area. These professionals are able to assess the extent of the addiction problem and suggest an appropriate modality for treatment. It is understood that in either case the County is not obligated to incur expense beyond providing this information to the employee/prospective employee.
